RE: Surplus Textbooks

The following History and Social Studies textbooks do not meet the Department of Elementary and Secondary Education (DESE) High Quality Instructional Materials (HQIM) rating. Because the district has transitioned to HQIM-approved materials, these textbooks are no longer needed.

I recommend declaring all copies of the listed textbooks as surplus for the district.

Item/Description #of Items for Surplus:

1. U.S. History: Making a New Nation (Massachusetts Edition), McGraw-Hill 2020 (75)
2. World Geography and Ancient Civilizations I, McGraw-Hill 2020 (75)
3. World Geography and Ancient Civilizations II, McGraw-Hill 2020 (75)
4. McGraw-Hill Networks Reading Essentials and Study Guide, McGraw-Hill 2020 (100)
5. McGraw-Hill Impact U.S. History: Making a New Nation Inquiry Journals, McGraw-Hill 2020 (310)

Please let me know if you require additional information.
